

Georgia State University (GSU) is an enterprising public R1 university located in downtown Atlanta, one of the largest and most racially/ethnically diverse cities in the Southeastern U.S. The 2022 U.S. News and World Reports rankings placed GSU as the #2 most innovative university in the country. The Computer Science department's Ph.D. program is nationally competitive and ranked among the best in the Southeast, according to National Research Council data. The department's faculty have been attracting substantial funding from many federal agencies, including seven NSF CAREER Awards.

The [Department of Computer Science](#) at Georgia State University (GSU) invites applications for:

Multiple Assistant Professor Positions

Five tenure-track positions at the assistant professor level for Fall 2022. The targeted areas are Software Engineering, Systems, Artificial Intelligence, and Data Science.

Associate Professor: Trustworthy Artificial Intelligence

A tenure-track position at associate professor level for Spring/Fall 2022. The targeted area is Trustworthy Artificial Intelligence (broadly defined), including but not limited to Safe and Secure AI, Private AI, Robust and Reliable AI, Explainable AI, Human-Centered AI, Responsible AI, and Fairness, Accountability, Transparency, and Ethics (FATE) in AI.

Assistant Professor: Astroinformatics Cluster

A tenure-track position at the assistant professor level for Fall 2022. Targeted interdisciplinary areas are Heliophysics Data Science, Science—Enabling Big Data Management, and Scientific Data-Driven Knowledge Discovery & Visualization.

Multiple Lecturer Positions

Multiple lecturer positions for Fall 2022. Successful candidates must be able to demonstrate expertise in teaching Computer Science courses at both undergraduate and graduate levels. Priority will be given to candidates who can teach courses related to Systems, Security, and Software Engineering.

The [Department of Computer Science](#) at GSU is committed to actively increase diversity and inclusion in the field of computing. Full details describing the positions and the application process can be found on the department website: <https://csds.gsu.edu/employment-opportunities/>
